

Sport and Leisure Studies

Level 1 and 2

Courses in Sport & Leisure Studies aim to provide you with the opportunity to:

- study the services offered in the industry
- appreciate the variety of employment prospects
- improve your sporting capabilities
- develop your ability to participate in organising activities

In the classroom

You will be involved in research tasks, event planning, and developing your own understanding of the sport and leisure industries.

Outside the classroom

Off-site activities and work experience opportunities include:

- Visits to leisure centres, sports centres and other venues are a key part of these courses
- You are encouraged to undertake a work experience placement with a local sport or leisure organisation.

Programmes of study

BTEC Level 1 Certificate in Sport and Leisure

BTEC Level 2 Certificate in Sport and Leisure

LEVEL 1 & 2

BTEC Introductory Diploma in Sport and Leisure

Areas of study include customer care, employment opportunities, activity and event organisation

Entry requirements

You will have a good record of participation in sporting activities and will be keen to be involved in the sporting life of the College.
