

Travel and Tourism

Level 1, Level 2

Courses in Travel & Tourism at Treloar College aim to provide you with the chance to investigate the travel and tourism industries.

In the classroom

You will work to develop:

- a greater understanding of these industries and the products and services that they offer
- your imaginative and critical thinking
- research skills

Through your own research you will appreciate:

- the variety of customer needs and expectations
- the way in which organisations and companies aim to satisfy customers' requirements for travel and tourism services

Outside the classroom

Off-site activities and work experience

- Visits to leisure centres, tourist facilities, theme parks and other venues are a key part of these courses

- You are encouraged to undertake a work experience placement with a local tourism or travel organisation
