

School Prayer

Thank you for our school family.

Please bless the students and staff with happy and fun days, filled with learning and laughter, music and sport.

*Help us to enjoy the countryside around us;
to be kind to our earth and not pollute it.*

Bless all those who are sick and even when they are tired and unwell help them to keep trying.

Help us to realise that in loving and serving others that we become better people ourselves.

*So many friends make a school;
so let love and joy surround us all.*

Amen
