About Treloar's

Founded in 1907, Treloar's is a charity that operates a School and College for children and young adults aged 2-25 with physical disabilities. Every year we have to raise around £2 million to enable our students to access the specialist staff, equipment and opportunities needed to give them the confidence and skills to control their lives and achieve their aspirations. With your support we can help all our young people enjoy the chance to achieve so much more than they, or their parents, could have ever imagined possible. Thank you.

Spring Edition of Treloar's Today

A very warm welcome to the Spring edition of our newsletter for friends of Treloar's. May I take this opportunity to thank Homes Estate Agents for continuing to sponsor Treloar's Today – we are very grateful for your generous support.

It's been another very difficult start to a new term here at Treloar's, with the onset of the third wave of the COVID-19 virus resulting in a further UK-wide lockdown.

As always our amazing staff have stepped up and are facing these daily challenges with total dedication and commitment – we cannot thank them enough. The majority of our vulnerable students have remained in School and College during the latest lockdown, and all staff are tested on a weekly basis. Students who have remained at home after the Christmas holidays are receiving the support and resources they need to study from home.

In this issue we take a look back at some of our student events and fundraising activities in the latter part of 2020 / beginning of 2021, including an update on our Outdoor Learning Centre appeal (front cover image) and the wonderful news of our former Chair of Trustees, Bruce Powell, receiving an MBE in the New Year's Honours List.

I hope you and your families remain safe and well during these 'interesting' times, and on behalf of everyone at Treloar's, thank you once again for your continued support – we and the students appreciate it.

With very best wishes,
Jon Colville, Director of Fundraising

About Opting-in

We would like to take this opportunity to thank everyone who has opted in to our postal and/or email communications.

Unfortunately, due to the new GDPR regulations concerning data protection and privacy, you'll need to opt-in (if you haven't already done so) and confirm you want to continue receiving communications from us.

If we get no opt-in then we can't communicate with you. If you didn't receive your Christmas brochure, it may be because you haven't opted in and we do not have permission to send you one.

Opting-in makes things so much easier, and it'll only take a minute, so if in doubt please opt in at www.treloar.org.uk/support-us/keep-in-touch/

Update: Outdoor Learning Centre, Phase 1 Completed!

We're delighted to announce that despite some pandemic-related delays, the works on the sensory garden and the greenhouse refurbishment for our wonderful new Outdoor Learning Centre have been completed.

Work on the accessible toilet has also finished, so students will now have appropriate toileting and changing facilities, allowing them to enjoy even more visiting time in the Centre.

The greenhouse has also undergone a complete refurbishment, together with the installation of a new heater and sun canopy, so the temperature can be better regulated and allow our students year-round use of the greenhouse.

Part of the greenhouse is now home to a small animal run and petting area, allowing our students to learn about animal care.

The greenhouse has also been made accessible thanks to special sensor-operated electric doors (and can also be opened using a push button). This will allow our students to access the greenhouse without support and become more independent.

Here's what some of our students and staff have to say about the new Centre:

"It's amazing – it's so much better than it was. When it's raining I can stay outside under the canopy. I really like the garden now, the mirror is my favourite part. I'm looking forward to using the firepit with my friends too."
Student

"The new outdoor learning centre will provide our learners with new and exciting opportunities to explore the outdoor world." Teacher

"Sixth Form J had a great time visiting the new outdoor area in school this week. We all enjoyed the giant chairs; we think these could be used for lots of things, story-telling, plays, role-play or just having fun! We all liked the layout of the space; it was easy to get around. The arches are great; in fact all of it is great! We can't wait to spend time altogether out there in the fresh air."
Sixth Form J Class

A huge Treloar's 'thank you' to everyone who supported our appeal for this fabulous new Centre. We're still working hard to raise the remaining £105,000 to complete funding for the Phase 2 classroom extension.

To make a donation... Please visit our website at: www.treloar.org.uk/donate or call us on 01420 547477.

Alternatively, please send a cheque (payable to "Treloar's") to: Fundraising, Treloar's, Powell Drive, Holybourne, Alton, GU34 4GL.

Treloar's Virtual Liveries Day

On Thursday 10th December 2020, we were delighted to welcome over 18 representatives from Livery Companies for our Virtual Liveries Day.

We were also joined by Treloar's CEO Simon Birch, and Martin Ingram, Principal of Treloar School and College, who updated us on life at Treloar's during the pandemic and the challenges faced to keep students and staff safe on Campus.

The highlight of the event was a virtual visit to a Sixth Form Class participating in a Lis'nTell live inclusive storytelling communication session run by Caroline, our in-house Speech and Language Therapist. The session was themed around Charles Dickens' classic novella

"A Christmas Carol" for "What the Dickens", a play our Sixth Form students plan to stage in 2021. As ever, the students were absolutely incredible and we were delighted to receive hugely positive feedback from attendees, including:

"Wow! Great performance by all the lovely students. Well done!"

"Thank you for a wonderful presentation this morning. I really enjoyed the students singing!"

Jon Colville, Treloar's Fundraising Director and Lucinda Gillingham, Head of Trusts & Liveries also updated everyone on the progress of our latest Treloar's appeals.

We hope this will be one of many virtual events, so please keep an eye on our website for details of future online gatherings.

For more information on anything Livery related, please contact us on 01420 547464 or email: liveries@treloar.org.uk

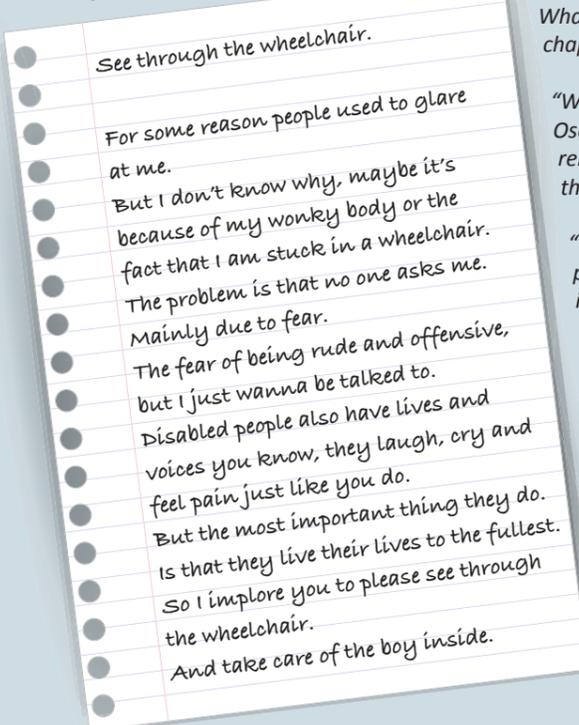

Treloar College Student Honoured at Poetry Reading Evening Event

In December 2020, Treloar's were honoured to join The Company of Communicators Poetry reading evening – together with forty members – including the Lady Mayoress of the City of London, Mrs Hilary Russell, who read "He Wishes for the Cloths of Heaven" By WB Yeats, with other readings from John Keats and Wendy Cope.

Lucinda Gillingham from Treloar's had the pleasure of reading out Treloar College student Oscar's poem.

Oscar's poem:

"That has moved me to tears. What a talented and brave chap Oscar is."

"Wow. A brilliant lesson from Oscar. Thank him so much for reminding us all. Very moving, thank you."

"Well done Oscar. A fantastic poem. Such a powerful and important message."

"Thank you Lucinda for reading Oscar's poem. Just hauntingly beautiful and moving and we shall all take note of what Oscar says in his poem."

Congratulations Oscar – we're all incredibly proud of you and your moving poem.

Oscar, 19, is a residential student at the College where he has been for the almost a year, and is studying for a City & Guilds NVQ Level 1 in Business and Administration. Oscar's interests include mythology, ancient weaponry, true crime stories, charity work, poetry and cooking. Oscar has cerebral palsy and communication challenges.

The poem was enjoyed by all who attended and the Master of The Company of Communicators, Col Deborah Oliver said "Lovely poem from Oscar – with an important message".

Some of the other comments from the participants include:

"Thank You Oscar. Fabulous!"

"That was truly moving, thank you for sharing it with us."

Treloar's Lottery

Time to tell you a bit about our TRElottery weekly – a fun and easy way to raise vital funds and provide essential services, equipment and activities for our wonderful students, via our weekly lottery.

So please do join TRElottery and be in with a chance of winning!

£40,000 worth of prizes to be won by 500 lucky winners every year! We have eight winners every week, plus a guaranteed 100 winners in our Summer Super Draw. All this for just £1 per entry per week and it could be you! For £2, you could double your luck!

Weekly top prize of £500, and 4 Special Super Draws a year where you could win up to £2,000!

The guaranteed eight winners every week win prizes ranging from £500, £100, £50 and five runner-up prizes of £10. And it doesn't stop there because four times a year your unique lucky number(s) are automatically entered into our Super Draw, when one lucky person wins £2,000! The easiest way to help make sure your lucky number(s) are in the draw every week is to pay by Direct Debit. It's simple and safe, and is available for just £4.34 per entry per calendar month.

Here's how to get your TRElottery Weekly number:

Simply complete and return the form enclosed with your Treloar's Today newsletter. Alternatively you can call 01524 752880, or enter via our website www.treloar.org.uk.

Whichever option you choose, you'll receive written confirmation of your entry within 14 days.

Thank you for supporting Treloar's in this way – and good luck!

Already a TRElottery player? Your prize will be sent automatically to your registered address, but you can always check if you've won by going to:

<https://treloar.safeandsecurewebservices.net/results>

Alan Titchmarsh MBE VMH DL launches Virtual Fundraiser Walk for Treloar's

Join Alan Titchmarsh MBE VMH DL and other friends in our virtual Walk for Treloar's this Easter and help to raise money to support our young people.

Fantastic news...

"You never walk alone when you walk for Treloar's" says Alan, something we are delighted to agree with thanks to the generosity of local companies Fyffes, Newbury Building Society and ILS, who are kindly sponsoring our event.

To sign up to Walk for Treloar's, simply visit www.treloar.org.uk/walkfortreloars to send us your £5 registration fee. We also ask that everyone participating pledge to raise a minimum of £50 to support us in raising funds during these difficult times.

You will also receive a digital event information pack from our fundraising team together with a Walk for Treloar's t-shirt to wear on your walk. Please do not forget to stay up to date with the latest Government advice regarding the current COVID-19 pandemic.

With your support, we can help every single one of our young people enjoy the opportunity to explore and achieve much more than they or their parents would ever have imagined possible.

Please contact: Events Manager, Karen Sanderson – karen.sanderson@treloar.org.uk

'Blown Away' by Angela's Amazing Transatlantic Adventure

Crossing the finishing line at 06:38 on Friday 11th December, Angela, Natasha and the crew completed their 3000 mile journey across the Atlantic.

after crossing the finishing line at 06:38 GMT on Friday 11th December 2020, sailing from Las Palmas in Gran Canaria to Rodney Bay, Saint Lucia, in an impressive 18 days, 21 hours and 57 minutes, a fantastic achievement, and our hearty congratulations to everyone on board 'Blown Away'.

Natasha has Quadriplegic Athetoid Cerebral Palsy, so in order for her to sail 'Blown Away' her father has adapted it using cutting-edge 'Sip and Puff' technology which allows her to control the vessel. One thing's for sure: Natasha's spirit for adventure is a real inspiration to all of us here at Treloar's.

Natasha had mixed emotions about reaching Saint Lucia, with her excitement at finishing the gruelling event tinged with sadness due to the end of her epic voyage. I think she would have happily sailed on to join the WORLD ARC – A 26,000 Nautical Mile tradewind circumnavigation starting from Saint Lucia and Australia... but that's another story!

Shiver me timbers! Treloar's Alumni Coordinator Angela Cross spent the last two months of 2020 experiencing the sailing adventure of a lifetime, the 2020 Atlantic Rally for Cruisers.

Whilst on board she worked with disabled sailor / adventurer Natasha Lambert and her family, on board 'Blown Away' their appropriately-named 46ft (14m) catamaran. Angela, Natasha and the crew completed their 3,000 mile journey across the Atlantic

These were frequent visitors on the deck, flying fish are very beautiful, and they really do fly.

Where on earth are we going to store all these provisions? They all had to be unwrapped, washed and dried before coming aboard to prevent unwanted lodgers (e.g. cockroaches!)

College Student Designs Christmas Card for Royal Patron

College student and 'artist in residence' Natalie was the chosen Christmas card design to be sent from Treloar's to our Royal Patron, HRH The Countess of Wessex GCVO. Natalie is currently studying BTEC Level 3 Art and Design. She is unsure what she wants to do in the future but, possibly University or to work in the games industry. She likes watching Netflix and socialising with her friends.

Treloar's Student's Paid Supported Apprenticeship with the DWP

In November 2020, College student Katie started a paid Supported Apprenticeship as part of a successful pilot project with Treloar College and the Department for Work and Pensions (DWP). The Supported Apprenticeship pilot – the first of its kind – was established as a way of increasing the number of physically disabled young people in paid employment.

During 2019/20 the Treloar's Transition Team worked closely with the DWP to establish this scheme, find the best ways to support young people with

Treloar Student Dexter Features In BBC's '12 Puppies and Us'

Treloar Primary student, Dexter, was featured on the BBC 2 programme '12 Puppies and Us' late last year, and we followed all the fun as Woody the St Bernard puppy moved in with Dexter and his family.

12 Puppies and Us charts the ups and downs of a dozen puppies and their families in those first crucial months together.

The series explores how the new arrivals develop, learn and adapt to their new worlds, as well as the profound effects they can have on the lives of their human owners. On hand to offer families expert advice when doggy difficulties get too much is dog behaviourist Louise Glazebrook.

Student Round-Up

physical disabilities, and create a path to paid employment.

Commenting on the success of the scheme, Theresa Wootten, Service Leader at the DWP said:

"I think I've just had one of the best moments in my DWP career, the reaction of Katie when we told her about her apprenticeship opportunity was just amazing."

Katie's positive attitude to employment and sheer determination has helped her gain a 23-month paid Supported Apprenticeship, starting work as an Admin Officer Decision Maker in November last year.

Treloar College's Progress and Transition Manager Maria Sherwood said:

"We're incredibly proud of Katie starting in her new role as a Decision Maker at Bromley Job Centre."

Nativity – The Show Did Go On!

Not being able to perform live on a stage didn't stop our Primary students from putting on an unforgettable outdoor performance of the Christmas Nativity play.

A huge Treloar's thank you to all our wonderful students and staff for all their hard work, and for making this an event, and a message, that we're delighted to share worldwide via the magic of youtube, which you can watch at: <https://youtube/JKi-BvOb8Yo>

Ho! Ho! Ho! Two Extra-Special Christmas Deliveries – All The Way From Fleet!

A huge Treloar's thank you from all of us here to the members of the Fleet Rotary Club, and to everyone at The Heron on the Lake (the home of seriously relaxed dining and also based in Fleet), for sending two gigantic festive deliveries of beautiful Christmas presents to our delighted students.

Words can not express how incredibly grateful we are, and we really appreciate your enormous generosity and ongoing support, which brightened up a cold and grey December day and gave us all a big boost on the last day of the winter term.

Thank you again to our two 'special Santas' for all your wonderful Christmas gifts.

Mansion House Virtual Student Concert

Treloar's Students host first-ever virtual event – Monday 9th November 2020.

Due to the COVID-19 pandemic, so many important fundraisers have had to be cancelled in the Treloar's calendar including our annual Gala Dinner at The Mansion House, London.

Treloar's is very kindly gifted the use of The Mansion House by The Rt Hon The Lord Mayor of the City of London every year but,

due to COVID-19 we were unable to host a live event.

So for the first time ever we created a 45-minute free virtual event, and we were are thrilled to be able to bring Treloar's and all the excitement of this annual fundraiser into your homes and offices – live!

In case you missed it... The event is available via Facebook and YouTube and includes interviews with students, staff and celebrities, including the Lord Mayor, Alderman William Russell, culminating in a magnificent performance from the School orchestra directed by Jocelyn Watkins, Director of Music at Treloar's.

While we cannot receive visitors on campus, the film has enabled us to share some of the magical things that take place here at Treloar's. We had an amazing response

to the film from former students, families and supporters.

"Watched the fantastic Mansion House concert that was inspirational. My daughter Alex attended Treloar's and it transformed her life."

"The concert was very touching and a great reflection of the life-enhancing work you do – congratulations!"

"I just had to donate after watching tonight's concert!"

"It is truly a magical place. Well done to everyone who is involved in making Treloar's such a unique and special place."

"I used to be a student and without the help I wouldn't be where I am today."

Could you be a Treloar's Champion?

Do you have links to a company who might consider supporting Treloar's? If so, then companies can support Treloar's in lots of different ways.

If you work in or own a high street shop, you or your staff members could organise a counter display to encourage customers to donate and / or to raise awareness of how to become a Treloar's champion.

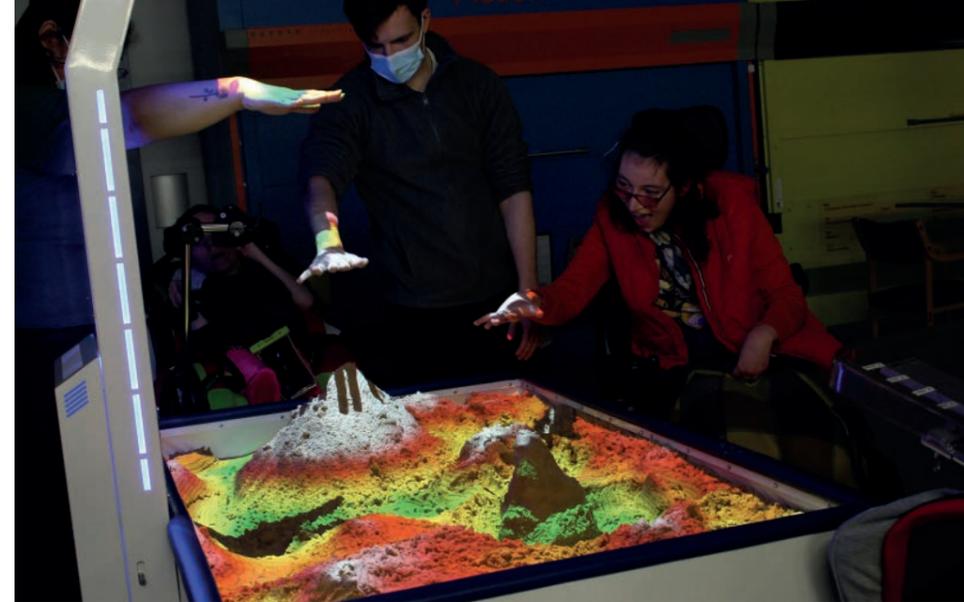

It could be anything from sponsoring an event, organising staff fundraising, making a donation, volunteering days at our campus, or gifts in kind through to making Treloar's their charity of the year, to name a few.

Company support is often heavily reliant on staff recommendations and nominations, so if you think you might be able to help then please get in touch with our Corporate Fundraiser at: corporate@treloar.org.uk or call us on 01420 547461.

Please get in touch to become a Treloar's Champion

Corporate Supporters

Thank you to our generous supporters...

Last year we were fortunate enough to receive support once again from the Morrisons Foundation, who provided us with an iSandbox – a new learning tool where children explore the sand to discover music, texture and sound.

We have the first of it's kind in Europe as our iSandbox is designed for children and adults with special needs and has a lifting mechanism for adjusting the sand container height.

The iSandbox will help everyone as the variety of education is appropriate for all of our students i.e. from teaching them about topography, geography and science, to learning about colours and shapes. Not only is it educational but it also enables them to practice their fine motor skills, allowing students to practice their control whilst bringing out their competitive side! Thank you Morrisons Foundation.

In December 2020, we also received a £20,000.00 gift from The Belron Ronnie Lubner Charitable Foundation (also thanks to the efforts of the Devereux family – one of our parents!) to fund charitable activity in response to the COVID-19 Crisis.

B&Q Foundation are the latest to support Phase 2 of our Outdoor Learning Centre appeal. We are thrilled that Phase 1, has now been completed.

Phase 2 will be focusing on a new classroom extension and making the area even more accessible. Thank you B&Q Foundation for your support towards this fantastic project.

Leavers Certificate Zoom Presentation

Our leavers Zoom event, hosted by Turlough Ducie in November 2020 was very well attended, with 15 of our 20 students who left last year taking part, as well as staff from across the College and even some current students.

Martin Ingram introduced the event before Jane Clarke and Maria Sherwood read through student statements and achievements. Everyone also enjoyed photomontages illustrating the students' time here at Treloar's.

Breakout rooms were assigned to smaller groups of students and staff where they were able to chat and catch up, and Turlough closed with a quiz.

Although it wasn't the same as welcoming ex-students back face to face, it was a fun event and great to see the students together again.

A few highlights include the news that Kerry is enjoying life in her bungalow, writing her life story and crafting lovely Christmas decorations. Alfonso has applied to the Open University to study sport and fitness.

Nigarish is enjoying an online course in video editing, and Cory has been busy building his graphic design business, whilst Eoin has been building his photography business selling cards and prints on Etsy.

The Dummer Fair Auction

The Dummer Fair Auction took place from 18th - 20th November 2020

With auction items including art, holidays, experiences, work placements plus many smaller lots specific to Treloar's.

The Dummer Fair Auction committee said: "After cancelling our traditional seasonal Fair due to COVID-19, we felt it was important to continue our support for Treloar's. As with so many other charities Treloar's have been badly hit this year by the pandemic."

"We raised in excess of £37,000 which is incredible – thank you to everyone involved!"

Stop Press: Treloar's Appoints New Patrons

We're thrilled to announce that both Martin Sinclair and Alderman Sir Andrew Parmley have agreed to become Patrons of the charity.

Martin, a former Learning Support Assistant at Treloar's, is an English footballer who played for England cerebral palsy (CP) team and is currently working in retail for SKY.

He was SaintsAbility development officer for the Saints Foundation at our local Premier League football side Southampton FC. His catchphrase is, "It's about showcasing players ability, rather than

disability." He is the brother of Preston North End (and former Swansea City, Aston Villa and Celtic) footballer Scott Sinclair.

Martin was born with cerebral palsy, but still had ambitions of playing football. As a teenager he fell off a slide resulting in the ball and socket coming out of his hip. The injury was initially diagnosed as a damaged ligament but, when he went to hospital for an operation on his hand an x-ray revealed the real injury. He was confined to a wheelchair for three years and had a hip replacement at the age of 21.

Martin was part of the GB teams that won a bronze medal at the 2010 Paralympic World Cup and a silver medal at the 2012 event. In 2012 he was selected to represent Great Britain at the 2012 Summer Paralympics as part of a twelve-player squad for the 7-a-side football event. Martin and Scott became the first brothers to represent Great Britain at a Paralympic and Olympic Games in the same year.

Alderman Sir Andrew Parmley served as the 689th Lord Mayor of the City of London in 2016-17. Sir Andrew has been

an elected Member of Common Council since 1992 and was elected Alderman of Vintry Ward in 2001.

He has served on many of the City of London Corporation's committees, including as Chairman of The City of London School for Girls and The Guildhall School of Music and Drama, as well as being Governor of The Honourable the Irish Society. He is involved in education and music and is a keen member of more than twenty City Livery companies, including his 'mother company', The Worshipful Company of Musicians.

Everyone at Treloar's are very much looking forward to working with Sir Andrew and Martin in the future.

MBE for Treloar Trust's Bruce Powell

Former Treloar Trust Chairman, Bruce Powell, has been awarded the MBE for services to Education in the New Year's Honours list.

Bruce has a long family association with Treloar's and was a key figure in steering the School and College through a significant period of change. He served as Chair of Trustees from 2002-2015 and is currently a Patron of the Treloar Trust.

One of his many achievements during his tenure was the Vision Treloar's appeal, launched to build a new campus which enabled the co-location of the Trust, School and College on a single site in Holybourne. Building work on the

new campus was completed in 2011. During his tenure he also oversaw major construction and refurbishment projects which enhanced the Treloar College facilities, including Brewer House, a new hall of residence and a student social club the 'Chill Out Zone' which was officially opened by The Princess Royal GCVO in 2009.

When Bruce retired in 2015, his legacy was to leave Treloar's with modern, well-equipped facilities and a vibrant School and College campus.

Simon Birch, Treloar Trust CEO said:

"We are delighted that Bruce's work has been recognised. His leadership and vision were instrumental in making Treloar's the outstanding provider it is today."

Art Quiz

The Treloar's Art Lecture Committee was disappointed not to be able to welcome you to Treloar's for its annual Lecture and Reception at the end of last year.

Like so many fundraising events at Treloar's it fell victim to the COVID-19 pandemic, but we had lots of fun putting together an Art Quiz for friends to take part in from the comfort of their homes over the Christmas period.

There was a mix of lovely paintings and questions on general art history knowledge, and the chance to win a traditional food hamper, brimming over with delicious treats and goodies.

The lucky winner was Caroline from Hampshire and runner up Jeff from Stoke on Trent. Well done!

Spring & Summer Cards and Gifts

Please find enclosed a copy of our 2021 Spring & Summer cards and gifts brochure, which is packed full of gift ideas for friends and family, as well as plenty of ornaments to decorate your home or garden.

Inside you will find a wide range of beautifully designed cards together with a selection of wonderful gifts courtesy of our new suppliers Rifle Paper Co. UK, Roger la Borde and old favourites Jessica Hogarth Designs.

Every item you purchase from our brochure provides a direct benefit to our students at both the School and College.

www.treloar.org.uk/support-us/shop

Cards for Good Causes

We were lucky enough to become one of the guest charities at Cards for Good Causes (CFGC) in 2018, and have been chosen each subsequent year, giving us the opportunity to sell our charity Christmas card range throughout the UK.

This year was challenging to say the least for Cards for Good Causes, with its 300 seasonal 'pop-up' shops opening, only to be closed again due to the COVID-19 pandemic. However, CFGC were able to offer a click & collect service in most of its outlets, and boosted sales through its online shop.

Cards for Good Causes supports more than 200 national and local charities by selling a wide choice of Christmas cards and gifts. Buy online at the Cards for Good Causes website: www.cardsforcharity.co.uk

Mobile Phone Donations

We are thrilled with our quick and easy way to donate to Treloar's from your mobile phone.

All you need to do is text TRELOARS to 70085 to donate £10

Texts cost your £10 donation, plus one standard rate message and you will be opting in to hear more about our work and fundraising via telephone and SMS.

If you would like to give £10 but do not wish to receive marketing communications,

text TRELOARSNOINFO to 70085 to donate £10.

Calendar of Events

Kindly sponsored by

At the time of going to press, we are unable to confirm the exact dates of our proposed events due to the COVID-19 pandemic. However, please see below for what we hope to be able to achieve as part of our fundraising efforts. Further details will follow on receipt of Government advice and guidelines. If you're looking for a different way to raise funds then why not consider taking part in some of our other virtual Challenge Events?
