

## Terms and conditions

### Age & weight restrictions

GoSkydive have various weight limits depending on the location that you'll be skydiving at. Due to higher operational costs, there will be a surcharge for people over 15 stone.

- 15-16 stone £10 per person
- 16-17 stone £20 per person
- 17-18 stone £30 per person.

If this applies to you, please inform GoSkydive of this in advance.

The National Governing Body for Skydiving (sport parachuting) – British Skydiving regulations state that the minimum age to participate in Skydiving is 16 years old.

Anyone between the age of 16 and 18 must have the British Skydiving Membership Agreement Form (Parental Consent Form) signed. They will also need the Tandem Medical Declaration of Fitness Form witnessed by a parent or legal guardian (unless GP declaration form needed). Please ensure you bring both forms, signed, with you on the day of your jump as failure to do so will mean you won't be able to jump with us.

Please inform Treloar's and GoSkydive in advance if you are between 16 – 18 years of age.

### Fundraising

By registering to this event, you are committing to raise a minimum of £435 in aid of Treloar's.

This covers the jump costs and any extra raised will be donated directly to help support the students at Treloar's.

Once registering, our fundraising team will be in touch to help you set up your fundraising page and get started.

### Medical forms

It is important that you read through the [115a British Skydiving Medical Forms](#) and should you then require the [115B British Skydiving Medical Form](#) this will need to be signed by your GP before completing your skydive. Failure to bring this will result in you being unable to jump.

Some disabilities may need an assessment at the centre prior to the jump date by our Chief Instructor. Please contact GoSkydive if you require further assistance with this.

### **Weather**

Your skydive experience will last approximately 3-5 hours. However skydiving is a weather dependent activity and we ask that you allow the full day in case of delays.

GoSkydive cannot accept any responsibility for the changing or postponing of days of operation due to unsuitable skydiving weather or other factors outside of their control.

Refunds are not issued due to bad weather but your jump may be rescheduled free of charge. Your skydive booking is valid for a year and it is your responsibility to ensure that you skydive within the year of your skydive purchase date.

If the jump has to be postponed, then Treloar's will try to reschedule to a date that suits all jumpers.
